

30 April 1969

**MEMORANDUM FOR: Director of Central Intelligence**

**SUBJECT: Congressional Contacts**

Whenever you can conveniently find the time, I suggest we try to schedule the following (in order of priority):

- a. Visit to Headquarters and general briefing on Agency organization and functions, etc., by Senators Dominick and Murphy (possibly including breakfast or lunch).
- b. Breakfast for remaining freshmen congressmen.
- c. Breakfasts for freshmen senators (there are fifteen--see attached list). I suggest they be invited in groups of about four or five.
- d. Now that Gale McGee is Chairman of Senate Post Office and Civil Service Committee, he might be helpful to us in some of our future legislative problems. You may therefore want to have him out some day for a lunch, but I don't believe this is high priority right now.
